

Floor Plan Project!

Design and draw a floor plan for a 1000 square foot apartment that you'd enjoy living in.

Show the dimensions and area for each room. Show doorways and windows. Verify that the total of all the rooms is 1000 ft².

The apartment must include a kitchen, a bathroom, and at least two more rooms. (So, four or more rooms.)

If you have any questions, ask me.

The assignment is due on Friday, February 28.
